Selection:

The NSW All Schools Team was selected straight after the All Schools Tournament that was held at Cronulla on the 7th and 8th June. This enabled the squad to have plenty of time for trial games and training days, as the results showed this was obviously a benefit.

There were no dropouts from the originally selected squad and all boys went to Melbourne fit and ready to play.

Preparation:

The first trial game was against Bankstown at Jensen Park

The second trial game was held against Sutherland at Seymour Shaw

A full day training day was held in the second week of the holidays at Marconi.

The third trial game was against Parramatta Eagles at Melitia Stadium

The fourth trial game (the week before the Championships) was against Sydney United at Edensor Park

Results

Day 1 (Game 1) v ACT

Playing the first game was always going to be interesting as with any team playing its first competition game. Overall, the team played well in patches looking very good for ten minutes and then ordinary the next ten. This pattern continued for most of the match, however, the team managed to be well in control goal wise towards the end of the game. A thoroughly convincing performance to start the tournament and good enough for the boys to realize that if they worked hard as a team they had a real chance to win the tournament.

Result: won 5 – 1

Goalscorers: D. Bragg (p) 35m, D. Travis 42m, S. Paric (p) 44m, D. Stojic 62m, D. Castrogiovanni 72m.

Day 2 (Game 2) v South Australia

This game was played in terrible conditions, with a gale force wind blowing for the whole game. There were few solid chances created by either team during the whole game. NSW scrambled a goal in the first half against the wind, but the team found it very hard to play with the wind in the second half. South Australia hit the bar with a free kick in the first half and the second half was quite even. As it turned out this was our hardest game and to claim the three points was a blessing.

Result: won 1 – 0

Goalscorers: B. McDonald 30m.

Day 5 (Game 5) v Queensland

The game that was suppose to be a final was a bit of a let down after about twenty minutes. Queensland really tried to take the game to NSW but anything they created was easily dealt with and the last twenty minutes was unbelievable soccer as NSW took complete control of the game. The second half was again fantastic soccer except for the scoring of goals. As a matter of fact it was nearly harder to miss some of the goals than score but all the strikers gave the defenders a lesson in how to get into dangerous positions in front of goals.

Result: won 4 - 1

Goalscorers: J. Anscombe 24m, K. Paull 28m, B. McDonald (p) 36m, J. Pepper 60m.
